#### The 8th Multicultural Festival (第8回国際文化祭)

It's time once again for the Multicultural Festival, an event that showcases the different cultures of the world and celebrates crosscultural understanding through various performances on stage. For the 8th edition of the event, to be held on November 29, Saturday, at the Tokachi International Relations Center, you can enjoy the sensual movements of belly dance, a stylish Sri Lankan

dance, the thunderous beats of African drums, a cute cosplay performance, and much more!

In this Multicultural Festival, audience members don't just sit and watch. You can join in on the fun by voting for your favorite performance to decide this year's best performer. Casting your vote also gives you the chance to win prizes in a raffle, so make sure to cast your vote! As a grand finale, you can enjoy the different traditional clothes of the world through a colorful fashion show. Come and cheer on the models as they strut their stuff on stage!

Besides the stage event, you can also enjoy an exhibit of world handicrafts and costumes, plus a photo gallery where international students take you on a tour around the world as they introduce famous places in their home countries. Entrance to the event is totally free, so bring your friends and family along! We hope to see you all there!

If you are interested in performing or joining the fashion show, or if you want to send your photos for the photo gallery, please contact TIRC Coordinator Hector at tirc@city.obihiro.hokkaido.jp.

### Winter is Coming (冬が来ます)

Just a reminder to everyone, winter will be here soon. With winter comes snow, which means for people with cars, you need to change your tires. Hopefully everyone has done this already, but if you haven't please do so. Also please remember to slow down and give yourself plenty of time when driving in the winter. Tokachi/Obihiro is notorious for poor road conditions and lots of accidents in the winter, so please be safe and don't become another statistic.

For people that don't drive. Remember that people don't seem to understand the idea of cleaning sidewalks properly, so you can expect to slip and slide a lot while walking. Take precautions to guard yourself against falling and injuring yourself. Also remember to dress warm. It doesn't take much time to get frost bite once temperatures drop below freezing.

#### Chinese Corner (中国語コーナー)

10月份我参加了森林交流馆举办的秋季茶会,体验了日本的茶道文化。说起茶文化,在中国更是历史悠久,据说最早可以追溯到四千多年前的神农时代。在古代,人们把"柴米油盐酱醋茶"称作"开门七件事",意为中国老百姓的日常生活中最离不开的七件物品。即使是现代,茶在中国人的生活中依然占有不可代替的重要地位。客人来家里做客,主人一般都会拿出好茶给客人品尝。逢年过节,给亲朋好友送礼,送茶也是一个不错的选择。现代的品茶方式更丰富,人们品茶的同时欣赏歌舞、音乐、书画、戏曲等,比较有代表性的就是北京的茶馆。年轻的女性喜欢喝普洱茶来减肥,或是花茶养颜,不论男女老少生活中或多或少都离不开茶。

说到日本的茶道,有种说法是中国宋朝时期的茶文化传入日本,进而发展成了今天的日本茶道。在宋朝中国的沏茶方式叫"点茶",具体方式是将茶叶末放在茶碗里,注入少量沸水调成糊状,然后再注入沸水,或者直接向茶碗中注入沸水,同时用茶筅搅动,茶末上浮,形成粥面,是不是和日本的"茶道"很像呢。明代以后,烹茶方法由原来的煎煮逐渐向冲泡发展,品茶方式也日益完善和讲究,茶的种类也增多,逐渐形成了现代的中国品茶文化。如果有机会去中国,大家不妨去逛逛茶馆,体验一下中国民间的品茶方式。

I attended the Autumn Tea Ceremony at the Tokachi International Relations Center in October, and experienced a Japanese tea ceremony. Speaking of tea, it has a long history in China. The origin of tea can go back to 4000 years ago, known as the Shen Nong period. In old times, people called "wood, rice, oil, salt, sauce, vinegar, and tea" the "7 daily necessities", and in modern society, tea is still a very important part of Chinese life. People will treat their guests with their best tea. It is also a good choice to give tea to your friends or relatives as a present when a festival is coming. Now, the number of ways to enjoy tea has increased greatly and you can drink tea and at the same time, enjoy dancing and singing performances, music, painting, and calligraphy, or even Chinese opera. You can go to teahouse in Beijing and experience it. Young ladies like Puer tea to diet, and herb tea is good for beauty.

Switching back to the Japanese tea ceremony, it is said that the culture of tea is spread from China to Japan during the Song period, and it is the origin of the modern tea ceremony. In the Song period, "Dian Cha" was the most popular way to make tea. People put the tea fragments into the teacup, put a little hot water into it and made it into a paste and then poured hot water into the teacup, and stirred it with a tea whisk. Once the fragments rise to the surface, it can be drunk. It is very much like the Japanese tea ceremony. After the Ming period, the way of making tea changed, people started to use whole tea leaves, and the variety of tea become richer, the way to drink tea become daintier, and finally a new tea culture was formed. If you have a chance to go to China, it would be a good choice to visit a teahouse to learn more about Chinese tea culture.
